Sir:

In accordance with Applicant's duty of candor under 37 CFR §1.56 and in compliance with 37 CFR §1.97 and §1.98, Applicant is not aware of any material prior art but, in an abundance of caution and candor, Applicant submits the present Supplemental Information Disclosure Statement and Form PTO-1449. A copy of the listed references are included herewith.

This Supplemental Information Disclosure Statement is being filed after the mailing of a first Office Action, but before the mailing date of any of a final action, a notice of allowance, or an action that otherwise closes prosecution in the application. Therefore, Applicant states that no item of information contained herein was cited in a communication from a foreign patent office in a counterpart foreign application, and after making a reasonable inquiry, no item of information contained herein was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of this information disclosure statement. Applicant states that the disclosed references were first learned of in connection with an Office Action which issued in a separate United States patent application related to a cage nut assembly which is owned by the assignee of the present application. This Information Disclosure Statement constitutes a bona fide

08/18/2004 attempt to comply with 37 CFR §1.97 and §1.98.
